## INDIVIDUAL PROJECTS

- Six-Card Poker (Sept. 2025) – In nine different languages, created a program that simulates a six-card stud game
- B-Tree (Apr. 2025) – Created a C++ program that organizes inserted data into a B-Tree structure

## TEAM ACTIVITIES

- Binary Bears Programming Competition (Nov. 2025) – Planned, strategized, and communicated with a team of four about solving nine problems in three hours while competing against other collegiate teams
- Eight-Card Poker (Nov. 2025) – Created an Ada program that simulates an eight-card stud game with tiebreakers

## COLLEGE ACTIVITIES

Study Abroad Mercer on Mission | South Africa Computer Science

Summer 2025

- Taught software development to underprivileged schoolchildren near Cape Town
- Planned and led several lessons involving coding and hardware
- Assisted other teachers with their lessons by keeping each student on task
- Adapted quickly to challenges such as faulty equipment and diverse student learning styles

## WORK EXPERIENCE

ESPN @ Mercer | Macon, GA

Dec. 2022 – Present

Duties: Broadcasting games by tampering with audio, working behind the cameras, and saving video clips for highlights

The Cheesecake Factory | Alpharetta, GA

May 2023 – Aug. 2024

Riverside Pizza | Alpharetta, GA

Nov. 2021 – Aug. 2023

Wild Wing Café | Alpharetta, GA

June 2021 – July 2021

Duties: Preparing food, taking customer orders, cleaning up the kitchen, and stocking equipment

## VOLUNTEER WORK

Crossings at Webb Bridge | Alpharetta, GA

Aug. 2019 – Feb. 2020

- Worked with senior citizens with dementia, Alzheimer's Disease, and assorted physical and emotional challenges
- Conducted activities every week, including word and balloon games, Bingo, golf, and bowling
- Developed an appreciation for the importance of patience, empathy, and a need to adapt on the fly when activities proved too challenging for participants (COVID shutdown discontinued my involvement)
